We extend our warmest congratulations on your selection for an **internship presented by the Edunet Foundation, in collaboration with EY GDS-AICTE**, focusing on Full Stack Web Development.

The **EY GDS - AICTE** Internship is structured to support individuals in developing essential foundational skills needed for productive careers in the IT sector. Participants have the opportunity to earn credentials and benefit from guidance provided by industry experts, all at no cost throughout the duration of the program.

EY GDS (Ernst & Young – Global Delivery Services), in partnership with AICTE, provides a unique learning experience through a 6-week Internship, commencing from **28th February 2024 to 16th April 2024**. Throughout this period, you will have the opportunity to work independently on a project, with guidance from a mentor who will assist you in identifying solutions and developing them into a tangible project.

Benefits:

- Personalized mentorship sessions and collaborative group learning.
- Opportunities to expedite learning through project-based internships.
- A holistic learning experience provided by industry experts through knowledge-sharing sessions.
- Showcase your skills by creating prototypes to solve real-world challenges.
- Earn certifications from EY, AICTE, and Edunet, boosting your confidence and value to potential future employers.
- Opportunity to present your project prototypes to a panel of industry experts at a regional showcase event.
