Detailed information.

- I. DATE AND TIME OF THE MEETING.
- II. THE PURPOSE OF THE MEETING.
- III. THE MEETING LEAD OR CHAIR'S NAME.
- IV. ASSIGNED ACTION ITEMS.
- V. DECISIONS MADE.

COLLEGE ACADEMIC COMMITTEE

Date : 21/03/2023

CIRCULAR

This is to inform all the members of College Academic Committee that a meeting is scheduled in Board Room on 21/03/2023 am to discuss the following points.

Agenda

1. The college Academic Committee Coordinator nomination.
2. Preparing College Academic Calendar (Activities to be planned)
3. Teaching- learning Process and monitoring.
4. Any other Activities and issues to be discussed.

Copy To:

1. The principal
2. Director Academics
3. Director administration
4. All HoD' s
5. IQAC
6. All College Academic Committee Members

Principal
Visvesvaraya College of Engineering & Technology
M.R. Patelguda (V), Ibrahimpatnam (M),
Ranga Reddy (Dist), TS-501 510.

COLLEGE ACADEMIC COMMITTEE

- I. Date and Time of the Meeting : 01.12.2024 at 11.00 AM
- II. The Purpose of the Meeting : TPO'S MEET in Scient Institute of Technology, Ibrahimpatnam Ranga reddy Hyderabad – Telangana
- III. The Meeting Lead :

Dr D. Ramesh Principal

Dr. Prasantha Reddy, Placement Officer

Prof T. Ravi, HoD MBA

Mr. N. Ravi Vardhan, MBA Faculty

Participants from Different Colleges TPO's:

1. Mr. Ram Kishore, AVN Institute of Engineering & Technology
2. Mrs. Rajini, Sphoorthy Engineering College
3. Mr. Kannaiah, Visvesvaraya College of Engineering & Technology
4. Mr. Ranjith, Siddhartha Institute of Technology
5. TPO representative, GNIT

IV. Assigned Action Items:

1. CRT / Skill Development Programme
2. Facilitates to HR's.
3. Job Orientation in Various colleges by TPO's.
4. Campus Drives
 - ✓ Off-Campus Drives &
 - ✓ Pool Campus Drives

5. Human Values & Professional Ethics.
6. Debates among Intra colleges.
 - ✓ Group Discussions,
 - ✓ JAM Sessions,
 - ✓ Common Placement Test,
 - ✓ Mock Interviews by TPO's
7. Career Sessions in Different Colleges.
8. Entrepreneurship.
9. Self Employment.
10. Government Sectors Jobs (IES, IAS)

Minutes of Meeting :

About CRT / Skill Development Programme. After a deep Discussion, of TPO meet some important points have found to prepare a student to a job.

1. In the B.Tech first year, Faculty or TPO duty is to ***“REMOVAL OF INHABITION”*** from the student. Apart from we need to take care about English Improvement/ Communication.
2. Once they are comfortable with English, Ask them to prepare Presentations any one of the interested article / topic.
3. After preparing the topic, Give PowerPoint presentations. From this Exercise students feel comfortable and ***GET RID OF STAGE FEAR.***
4. In the B.Tech II year ***SOFT SKILLS SHOULD BE INTRODUCED.*** Providing this, students feel comfortable in these important areas like how to participate in
 - Group Discussions,
 - JAM Sessions,
 - Mock Intervies etc which is very important at the time of interview.

INDUSTRIAL VISIT (CIVIL STUDENTS)

An industrial visit for civil engineering students is an enriching experience that bridges the gap between classroom theory and real-world applications. During the visit, students have the opportunity to explore construction sites, manufacturing plants, and infrastructure projects, gaining hands-on insight into the practical aspects of civil engineering. They observe advanced construction techniques, material usage, and the various stages of project execution, which enhances their understanding of design and implementation processes. Interacting with industry professionals also provides valuable exposure to current trends, challenges, and innovations in the field, making the visit an essential part of their academic journey. It helps students apply their theoretical knowledge to real-world scenarios, preparing them for future careers in the civil engineering industry.

VCET ALUMNI MEET

The Alumni Meet at college is a heartwarming occasion, where former students return to reconnect with their alma mater and fellow graduates. The event is filled with nostalgia as alumni share memories, catch up on each other's lives, and reminisce about their time on campus. It often includes speeches, networking sessions, and campus tours, allowing alumni to see how the college has evolved. The meet is a celebration of lasting friendships, achievements, and the shared bond of their educational journey, creating a sense of unity across generations.

PPT PRESENTATION ON GIRL EDUCATION

Education is a fundamental human right and an essential tool for empowering individuals and communities. When girls are educated, they become catalysts for change, contributing to the social, economic, and cultural growth of their communities. Despite the proven benefits of educating girls, millions of girls worldwide still lack access to quality education due to cultural, economic, and social barriers

WORLDS YOUTH SKILLS DAY – KUKATPALLY

"On August 12, our college students enthusiastically participated in the World Youth Day celebrations, joining forces with students from various colleges across the city. The event, aimed at promoting youth empowerment, unity, and social responsibility, featured a range of activities, including cultural performances, panel discussions, and community service initiatives.

The World Youth Day celebrations provided a valuable platform for our students to connect with peers from diverse backgrounds, foster new friendships, and develop essential life skills like teamwork, leadership, and communication.

We are proud of our students' energetic participation and commitment to making a positive impact in their communities!"

NATIONAL ENGINEERS DAY

Engineering Day is celebrated to honor the remarkable contributions of engineers in shaping our world. It serves as a reminder of the pivotal role engineering plays in solving real-world problems, advancing technology, and improving the quality of life. On this day, we acknowledge the hard work, innovation, and dedication of engineers who continuously push the boundaries of science and creativity.

VCET SPORTS MEET

A sports meet at college is an exciting and highly anticipated event that brings together students from all disciplines to showcase their athletic skills and team spirit. The event is filled with a variety of sports, ranging from track and field events to team sports like football, volleyball, and basketball. Students enthusiastically participate in races, relay events, and other competitions, while cheering for their peers and fostering a sense of camaraderie. The atmosphere is vibrant, with a strong sense of healthy competition and unity. The sports meet not only promotes physical fitness but also encourages teamwork, discipline, and perseverance. It's a celebration of athletic talent, school pride, and the spirit of sportsmanship, leaving everyone with lasting memories of excitement and achievement.

ADVITIYA CULTURAL FEST

The Advitya Cultural Fest was a resounding success, showcasing the vibrant talent of our students through a mesmerizing array of performances. The highlight of the event was a stunning flash mob that kicked off the festivities, featuring a synchronized dance routine that left the audience spellbound.

The singing competition that followed saw talented vocalists belting out soulful renditions of popular songs, their powerful voices echoing through the auditorium. The dance performances were equally impressive, with energetic and graceful routines that showcased the students' versatility and skill.

The drama segment of the fest was a theatrical treat, with students presenting thought-provoking skits and plays that tackled pressing social issues. The audience was

NATIONAL YOUTH DAY

National Youth Day is celebrated on January 12th every year to commemorate the birth anniversary of Swami Vivekananda, a renowned philosopher and youth icon. This day is dedicated to inspiring and empowering the youth of India to become active participants in the country's growth and development. Through various events, seminars, and cultural programs, National Youth Day encourages young people to embrace Swami Vivekananda's ideals of self-discovery, self-reliance, and service to humanity.

BEST PRACTICES

VCET is a premier institution committed to providing high-quality education and fostering holistic development. Established in 2007, the college has been a beacon of academic excellence, cultural diversity, and social responsibility in the region. Situated in Patalguda, the college offers a wide range of undergraduate and postgraduate programs in [mention major disciplines, e.g., Arts, Science, Commerce, Engineering, etc.], designed to cater to the educational needs of a dynamic and diverse student population.

With a strong emphasis on academic rigor, research, and innovation, strives to equip students with the knowledge, skills, and values needed to thrive in a rapidly evolving global society. The institution is dedicated to fostering an environment of inclusivity, respect for diversity, and a commitment to sustainable development. We take pride in nurturing well-rounded individuals who excel not only academically but also in extracurricular activities, leadership, and community engagement.

Our vision is to be recognized as a leading institution in the country, continually striving for excellence in teaching, research, and community outreach. The college believes in continuous improvement and has integrated various initiatives aimed at enhancing the quality of education and student experience. We look forward to contributing further to the educational landscape and making a positive impact on society.

As part of the National Assessment and Accreditation Council (NAAC) accreditation process, we present this Self-Assessment Report (SAR), showcasing our strengths, achievements, and areas of improvement. Through this report, we reaffirm our commitment to quality education, academic integrity, and the overall growth of our students.

With a view to enhance communication skills among the students to keep pace with their employment opportunities at VCET the students are being trained with effective communication skills. This practice session starts from I . B. Tech students in their lab sessions. The CALL LAB has been loaded with GLOBERENA SOFTWARE which enable the students to get acquainted with vocabulary, pronunciation and accent part. The students are thoroughly trained with all four major skills, listening, speaking, Reading and writing skills.

Along with skill set the students fear of speaking is outsmarted with the spoken activities like JAM sessions, Group Discussion, Debating. And Elocution. Ultimately by the end of third year students are made to get placements with their linguistic capabilities.

NATIONAL UNITY DAY

31st October is celebrated as National Unity Day commemorating our freedom fighter Sardar Vallabha Bai Patel's birth day. Unity is strength. If ' I is replaced by ' we, many conflicts will be subsided, United we stand and divided we fall. This day is celebrated to promote National integrity.

Slogans On National Unity Day :

1. Unity in diversity leads to prosperity.
2. United we stand, Divided we fall.
3. Unity is strength.
4. Our existence is with national unity, it is our responsibility to maintain it.

MOCK PARLIAMENT

The Mock Parliament Session is a dynamic and engaging experiential learning activity designed to provide MBA students with a platform to develop their leadership, critical thinking, and decision-making skills within a simulated parliamentary setting. This immersive experience offers participants the opportunity to step into the shoes of legislators, engage in lively debates, and craft legislative solutions to contemporary issues.

The Mock Parliament Session serves as a valuable experiential learning opportunity for MBA students to refine their leadership and decision-making competencies in a dynamic and interactive setting. By engaging in simulated parliamentary debates and deliberations, participants emerge better equipped to navigate real-world challenges and contribute meaningfully to organizational success.

CONSTITUTION OF INDIA

The constitution of India is the supreme law of India. It came into force on 26 th January, 1950. Many countries have been an inspiration for the framing of constitution of India. 26 th November is celebrated as Constitution Day. It has been made as one of the subjects taught for B.Tech students to get them acquainted with the duties and responsibilities as citizens of India. Prescribed syllabus for B.Tech Students.

NATIONAL SERVICE SCHEME

N.S.S. is a central sector scheme of Government of India, Ministry of Youth affairs and sports. It aims at developing the personality and character of the student through voluntary service. At VCET students take active part in N.S.S. activities.

Some of our Students Activities are:

1. Plantation Program :

As part of Haritha Haram plantation program has initiated on massive scale to make the environment pollution free environment.

SWACH BHARAT ABHYAN

Swach Bharat Abhiyan is massive cleaning up campaign of India Initiated by the Government of India in 2014 . It aims at making India garbage free, plastic free, and pollution free. It is to accept the challenge and to join hands to continue the mission. Contributing to make India clean.

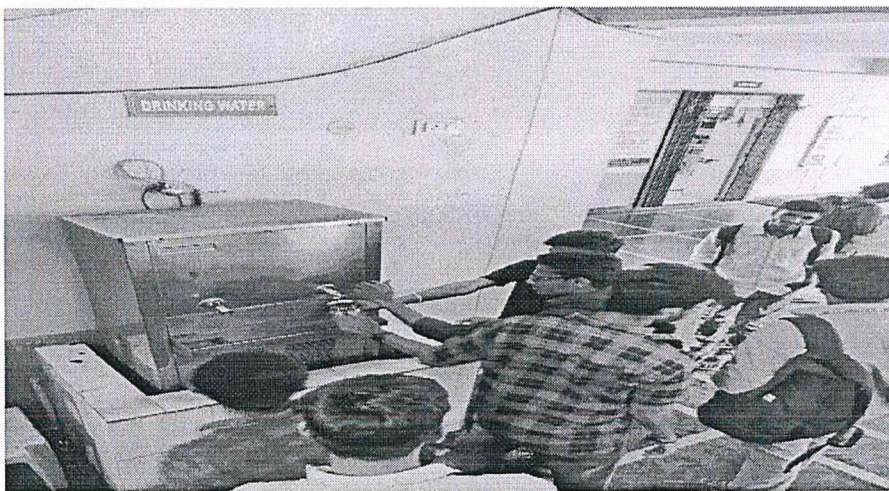

SOME OF THE ACTIVITIES OF SWACH BHARAT AT VCET :

I) Cleaning up of campus : As part of Swach Bharat programme cleaning up of campus is done

II) Providing safe Drinking water in villages.

Spreading awareness on safe water drinking in Villages.

CODE OF CONDUCT FOR TEACHERS

Introduction:

Visvesvaraya college of Engineering and Technology is striving for academic excellence, and progress of Engineering. Education and research have been conducted in alignment with our national needs and priorities and ensure that our mission, objectives make contributions to global needs.

Teachers should enjoy full civic rights of our democratic country. Teachers have a right to just conditions of service and professional independence.

THE CODE OF CONDUCT

TEACHERS

- a. Shall read, understand and comply with institutes policies.
- b. Shall abide by the institutes policy to value and support an institute community that is diverse in Gender, Caste, Creed, Religion, Region, Nationality, Educational background, Talent, Skill, and Experience.
- c. Shall be in time to the institute.
- d. Shall be regular and punctual to the classes.
- e. Must conduct one hour class and take attendance in the beginning of class.
- f. Daily lesson should be planned ahead and taught in the most effective and innovative way.
- g. Class should be well structured, interactive and involving student cohort.
- h. Notes of units should be included in the course file.

TEACHERS AND THE STUDENTS

- i. Teachers should prepare students for their examinations, hence be well versed with objectives and outcomes of each unit and the related scheme and policies of the affiliated university.
- j. Syllabus completion should be according to academic calendar.
- k. Students learning should be assessed periodically and modification of teaching and assignments done accordingly.
- l. Shall maintain the course file with all necessary documents including previous year question papers and their answer keys.

Principal
Visvesvaraya College of Engineering & Technology
M.P. Patelguda (V), Ibrahimpatnam (M),
Ranga Reddy (Dist), TS-501 510.

VISVESVARAYA

COLLEGE OF ENGINEERING & TECHNOLOGY

Approved by AICTE, New Delhi & Govt. of T.S. Accredited with NAAC 'A' Grade, Affiliated to JNTUH, Hyderabad

- m. Mentorship shall be fulfilled in order to enhance student's academic performance.
- n. Do not show partiality or hold grudges towards students/colleagues.
- o. The teacher is in-charge of students during the class.
- p. Be impartial when discharging one's duties and not offer preferential treatment to any student, instead should be motivating, comforting, listening to and encouraging students and radiating enthusiasm.
- q. A teacher finding a student committing any act of academic or non-academic misconduct with in the college campus shall be responsible to immediately report to authorities concerned. In case of unsurity of the behavior if it is against the code then the matter should be discussed with Deans, Heads of Departments, Principal or Vice Principal.
- r. Shall be a springboard for the student's academic success, personal growth and placement in the national and global arena.

TEACHERSANDTHEPARENT

- s. Shall attend to the parent's queries as a true representative of the institution, clarify their doubts, give them freedom to express their views and help them understand the institute's framework.
Teachers shall observe good personal conduct in terms of:
 - a. Follow Dress code-Shall be in respectable attire, befitting the society's expectations.
 - b. Shall ever appear untidy, through style of dressing, grooming of hair or in respect of any other ornament one wears and also maintain personal hygiene at all times.
 - c. Every staff member shall discharge the duties allotted to them within the department or other units or events with professionalism and honesty.
 - d. Shall Endeavour to assist Fellow teachers to discharge their duties effectively and make adjustments flexibly.
 - e. Act within the range of an allowed individual authority in all matters and in the best interests of the institute.
 - f. Inform the authorities and take consent, if availing the leave, the early exit and late entry facility.
 - g. Use Institutes resources (facilities, equipment, supplies, vehicles, and students) lawfully, efficiently and by finding innovative solutions.
 - h. Ensure that the highest standards of scholarly conduct and academic integrity are understood and practiced. Complete the work on time, document research and citing the work of others.

CODE OF CONDUCT FOR STUDENTS

PREAMBLE

Visvesvaraya of Engineering and Technology is committed to maintain, endorse a culture of conduct that showcases excellence, intellectual openness, inclusiveness, justice, integrity, fairness, respect, equity and accountability. It expects students to uphold these standards in their day-to-day decisions, actions, and interactions. The code of conduct is necessary to mark the boundaries of this needed order. Students continue to be subject to the laws of the land while at the campus, and violations of those laws may also constitute violations of the code. Students are expected to abide by the Code of Conduct.

RESPONSIBILITIES OF STUDENTS

1. Shall read, understand and comply with institutes policies and take responsibility for actions
2. Shall abide by the institutions policy to value and support an institute community that is diverse in gender, caste, creed, religion, region, nationality, educational background, talent, skill, and experience.

STUDENT COMMITMENT

3. Shall be in time to the institution.
4. Shall be regular and punctual to the classes and maintain 75% attendance to be able to appear or final examination.
5. Follow the instructions of the teacher carefully in the classrooms.
6. Maintain perfect order and strict silence inside the lecture hall/drawing hall/laboratories/clubs and the corridors.
7. Be attentive in class, to bring calculators, drafter, charts and data hand books as per the schedule of the classes.
8. Meet all deadlines of assignments, submission of projects, records and posters.
9. Abide by the rules of various laboratories and not damaging the equipments.
10. Cultivate the habit of looking at the notice boards of the institute/department every day.
11. Attend all counseling sessions convened by their mentors and feel free to explain their academic/personal/career difficulties and seek solutions.
12. Maintain silence in the library and utilize its resources and space without causing damage.
13. Not to be in the canteen during working hours of the institute.

ACADEMIC MISCONDUCT

14. To note, to follow principles of progressive discipline and any violence on the campus, destruction of the institute's property, manhandling of a person in the campus, and misbehavior with girl students will be viewed seriously. Erring persons will be liable for academic or financial consequences, if sustained they will be liable to disciplinary action such as suspension or rustication for specific period etc.
15. Note that defacing of the campus buildings, walls by writing on them or sticking bills, posters is prohibited. Also damaging the notices and posters displayed in the departments is forbidden.

DISCIPLINARY MISCONDUCT

16. Academic integrity must be maintained while pursuing academic studies. To falsify or alter records of academic performance is an academic misconduct. To note that all types of malpractices and unfair means in the examination hall inclusive of the assault on invigilators, misbehaving in the examination hall, enabling other students to be dishonest and impersonation are serious and punishable offences.
17. Participate in various events, seminars, workshops organized by the institution and contribute towards their success.
18. Student participation is encouraged and must be strengthened through the involvement of students in all levels of college governance.
19. When attending events outside the campus and representing the institution, the code of conduct will still be in effect.

CAUSING DISREPUTATION TO OTHER STUDENTS

20. Communicate opinions to others in a fair and constructive manner.
21. Voice any differences of opinion respectfully and directly to those members with whom you disagree and not in common areas.
22. Shall dressed in respectable attire, keep personal hygiene, tidiness, be well groomed and wear the institutes identity cards at all times.
23. Use Institutes resources (facilities, equipment, supplies, vehicles) lawfully

24. Avoid use of mobile phones in classrooms and common areas.
25. Not to form many formal and informal groups on the basis of caste, community and religion.
26. To note that the scholarship amount will be released only when all the scholarship holders put in 75% attendance very month/in the academic year.
27. To furnish in their own interest, the change in the address of father/guardian, if any, to the office/department as soon as they return from summer.
28. Students are prohibited from speaking on behalf of, or for, college with any media organization or publication without written permission of the Office of college Communications.
29. Violation of University rules is strictly prohibited.
30. Promote sustainability and reduce the impact on environment in all our actions.
31. Make the institution a safe place to work and learn. Adhere to good health and safety practices and comply with all health and safety laws and regulations. All students of the institution should abide by this policy. The institution will not tolerate unethical. Conduct and violations are subject to disciplinary actions.
32. The aggrieved student would submit in writing his/her grievance to the Registrar/Office Superintendent.

PUNISHMENT AND PENALTIES

Warning, suspension, monetary fines, dismissal, upholding of degree are the programme of actions which may be taken when a student has been found to have violated the student code of conduct.

PROFESSIONAL ETHICS

B.Tech. III Year I Sem.

Course Code: MC500HS

L T/P/D C
3 0/0/0 0

Course Objective: To enable the students to imbibe and internalize the Values and Ethical Behaviour in the personal and Professional lives.

Course Outcome: The students will understand the importance of Values and Ethics in their personal lives and professional careers. The students will learn the rights and responsibilities as an employee, team member and a global citizen.

UNIT - I

Introduction to Professional Ethics: Basic Concepts, Governing Ethics, Personal & Professional Ethics, Ethical Dilemmas, Life Skills, Emotional Intelligence, Thoughts of Ethics, Value Education, Dimensions of Ethics, Profession and professionalism, Professional Associations, Professional Risks, Professional Accountabilities, Professional Success, Ethics and Profession.

UNIT - II

Basic Theories: Basic Ethical Principles, Moral Developments, Deontology, Utilitarianism, Virtue Theory, Rights Theory, Casuist Theory, Moral Absolution, Moral Rationalism, Moral Pluralism, Ethical Egoism, Feminist Consequentialism, Moral Issues, Moral Dilemmas, Moral Autonomy.

UNIT - III

Professional Practices in Engineering: Professions and Norms of Professional Conduct, Norms of Professional Conduct vs. Profession; Responsibilities, Obligations and Moral Values in Professional Ethics, Professional codes of ethics, the limits of predictability and responsibilities of the engineering profession.

Central Responsibilities of Engineers - The Centrality of Responsibilities of Professional Ethics; lessons from 1979 American Airlines DC-10 Crash and Kansas City Hyatt Regency Walkaway Collapse.

UNIT - IV

Work Place Rights & Responsibilities, Ethics in changing domains of Research, Engineers and Managers; Organizational Complaint Procedure, difference of Professional Judgment within the Nuclear Regulatory Commission (NRC), the Hanford Nuclear Reservation.

Ethics in changing domains of research - The US government wide definition of research misconduct, research misconduct distinguished from mistakes and errors, recent history of attention to research misconduct, the emerging emphasis on understanding and fostering responsible conduct, responsible authorship, reviewing & editing.

Principal
Vivekvaraya College of Engineering & Technology
M.P. Patelguda (V), Ibrahimpatnam (M),
Ranga Reddy (Dist). TS-501 510.

UNIT - V

Global issues in Professional Ethics: Introduction – Current Scenario, Technology Globalization of MNCs, International Trade, World Summits, Issues, Business Ethics and Corporate Governance, Sustainable Development Ecosystem, Energy Concerns, Ozone Deflection, Pollution, Ethics in Manufacturing and Marketing, Media Ethics; War Ethics; Bio Ethics, Intellectual Property Rights.

TEXT BOOKS:

1. Professional Ethics: R. Subramanian, Oxford University Press, 2015.
2. Ethics in Engineering Practice & Research, Caroline Whitbeck, 2e, Cambridge University Press 2015.

REFERENCES:

1. Engineering Ethics, Concepts Cases: Charles E Harris Jr., Michael S Pritchard , Michael J Rabins, 4e , Cengage learning, 2015.

3 0/0/0 0

Course Objective: To enable the students to imbibe and internalize the Values and Ethical Behaviour in the personal and Professional lives.

Course Outcome: The students will understand the importance of Values and Ethics in their personal lives and professional careers. The students will learn the rights and responsibilities as an employee, team member and a global citizen.

UNIT - I

Introduction to Professional Ethics: Basic Concepts, Governing Ethics, Personal & Professional Ethics, Ethical Dilemmas, Life Skills, Emotional Intelligence, Thoughts of Ethics, Value Education, Dimensions of Ethics, Profession and professionalism, Professional Associations, Professional Risks, Professional Accountabilities, Professional Success, Ethics and Profession.

UNIT - II

Basic Theories: Basic Ethical Principles, Moral Developments, Deontology, Utilitarianism, Virtue Theory, Rights Theory, Casuist Theory, Moral Absolution, Moral Rationalism, Moral Pluralism, Ethical Egoism, Feminist Consequentialism, Moral Issues, Moral Dilemmas, Moral Autonomy.

UNIT - III

Professional Practices in Engineering: Professions and Norms of Professional Conduct, Norms of Professional Conduct vs. Profession; Responsibilities, Obligations and Moral Values in Professional Ethics, Professional codes of ethics, the limits of predictability and responsibilities of the engineering profession.
Central Responsibilities of Engineers - The Centrality of Responsibilities of Professional Ethics; lessons from 1979 American Airlines DC-10 Crash and Kansas City Hyatt Regency Walk away Collapse.

UNIT - IV

Work Place Rights & Responsibilities, Ethics in changing domains of Research, Engineers and Managers; Organizational Complaint Procedure, difference of Professional Judgment within the Nuclear Regulatory Commission (NRC), the Hanford Nuclear Reservation.
Ethics in changing domains of research - The US government wide definition of research misconduct, research misconduct distinguished from mistakes and errors, recent history of attention to research misconduct, the emerging emphasis on understanding and fostering responsible conduct, responsible authorship, reviewing & editing.

UNIT - V

Global issues in Professional Ethics: Introduction - Current Scenario, Technology Globalization of MNCs, International Trade, World Summits, Issues, Business Ethics and Corporate Governance, Sustainable Development Ecosystem, Energy Concerns, Ozone Deflection, Pollution, Ethics in Manufacturing and Marketing, Media Ethics; War Ethics; Bio Ethics, Intellectual Property Rights.

(A50018) HUMAN VALUES AND PROFESSIONAL ETHICS

(Open Elective)

Objectives : This introductory course input is intended

- To help the students appreciate the essential complementarity between 'VALUES' and 'SKILLS' to ensure sustained happiness and prosperity which are the core aspirations of all human beings.
- To facilitate the development of a Holistic perspective among students towards life, profession and happiness, based on a correct understanding of the Human reality and the rest of Existence. Such a holistic perspective forms the basis of Value based living in a natural way.
- To highlight plausible implications of such a Holistic understanding in terms of ethical human conduct, trustful and mutually satisfying human behavior and mutually enriching interaction with Nature.

Unit I:

Course Introduction - Need, Basic Guidelines, Content and Process for Value Education: Understanding the need, basic guidelines, content and process for Value Education. Self Exploration-what is it? - its content and process; 'Natural Acceptance' and Experiential Validation- as the mechanism for self exploration. Continuous Happiness and Prosperity- A look at basic Human Aspirations. Right understanding, Relationship and Physical Facilities- the basic requirements for fulfillment of aspirations of every human being with their correct priority. Understanding Happiness and Prosperity correctly- A critical appraisal of the current scenario. Method to fulfill the above human aspirations: understanding and living in harmony at various levels.

Unit II:

Understanding Harmony in the Human Being - Harmony in Myself! : Understanding human being as a co-existence of the sentient 'I' and the material 'Body'. Understanding the needs of Self ('I') and 'Body' - Sukh and Suvridha. Understanding the Body as an instrument of 'I' (I being the doer, seer and enjoyer). Understanding the characteristics and activities of 'I' and harmony in 'I'. Understanding the harmony of I with the Body: Sanyam and Swasthya; correct appraisal of Physical needs, meaning of Prosperity in detail. Programs to ensure Sanyam and Swasthya.

Unit III:

Understanding Harmony in the Family and Society- Harmony in Human -

Principal
Visvesvaraya College of Engineering & Technology
M.P. Patelguda (V), Ibrahimpatnam (M),
Ranga Reddy (Dist). TS-501 510.

Human Relationship : Understanding harmony in the Family- the basic unit of human interaction. Understanding values in human-human relationship; meaning of Nyaya and program for its fulfillment to ensure Ubhay-tripti; Trust (Vishwas) and Respect (Samman) as the foundational values of relationship. Understanding the meaning of Vishwas; Difference between intention and competence. Understanding the meaning of Samman, Difference between respect and differentiation; the other salient values in relationship. Understanding the harmony in the society (society being an extension of family): Samadhan, Samridhi, Abhay, Sah-astitva as comprehensive Human Goals. Visualizing a universal harmonious order in society- Undivided Society (Akhand Samaj), Universal Order (Sarvabhaum Vyawastha)- from family to world family!

Unit IV:

Understanding Harmony in the Nature and Existence - Whole existence as Co-existence : Understanding the harmony in the Nature. Interconnectedness and mutual fulfillment among the four orders of nature- recyclability and self-regulation in nature. Understanding Existence as Co-existence (Sah-astitva) of mutually interacting units in all-pervasive space. Holistic perception of harmony at all levels of existence.

Unit V:

Implications of the above Holistic Understanding of Harmony on Professional Ethics : Natural acceptance of human values. Definitiveness of Ethical Human Conduct. Basis for Humanistic Education, Humanistic Constitution and Humanistic Universal Order. Competence in professional ethics:

- a) Ability to utilize the professional competence for augmenting universal human order,
- b) Ability to identify the scope and characteristics of people-friendly and eco-friendly production systems,
- c) Ability to identify and develop appropriate technologies and management patterns for above production systems.

Case studies of typical holistic technologies, management models and production systems. Strategy for transition from the present state to Universal Human Order:

- a) At the level of individual: as socially and ecologically responsible engineers, technologists and managers
- b) At the level of society: as mutually enriching institutions and organizations

Understanding values in human-human relationship; meaning of Nyaya and program for its fulfillment to ensure Ubhay-tripti; Trust (Vishwas) and Respect (Samman) as the foundational values of relationship. Understanding the meaning of Vishwas; Difference between intention and competence. Understanding the meaning of Samman, Difference between respect and differentiation; the other salient values in relationship. Understanding the harmony in the society (society being an extension of family): Samadhan, Samridhi, Abhay, Sah-astitva as comprehensive Human Goals. Visualizing a universal harmonious order in society- Undivided Society (Akhand Samaj), Universal Order (Sarvabhaum Vyawastha)- from family to world family!

Unit IV:

Understanding Harmony in the Nature and Existence - Whole existence as Co-existence : Understanding the harmony in the Nature. Interconnectedness and mutual fulfillment among the four orders of nature- recyclability and self-regulation in nature. Understanding Existence as Co-existence (Sah-astitva) of mutually interacting units in all-pervasive space. Holistic perception of harmony at all levels of existence.

Unit V:

Implications of the above Holistic Understanding of Harmony on Professional Ethics : Natural acceptance of human values. Definitiveness of Ethical Human Conduct. Basis for Humanistic Education, Humanistic Constitution and Humanistic Universal Order. Competence in professional ethics:

- a) Ability to utilize the professional competence for augmenting universal human order,
- b) Ability to identify the scope and characteristics of people-friendly and eco-friendly production systems,
- c) Ability to identify and develop appropriate technologies and management patterns for above production systems.

Case studies of typical holistic technologies, management models and production systems. Strategy for transition from the present state to Universal Human Order:

- a) At the level of individual: as socially and ecologically responsible engineers, technologists and managers
- b) At the level of society: as mutually enriching institutions and organizations

B. TECH. COMPUTER SCIENCE AND ENGINEERING

I YEAR

Code	Subject	L	T/P/D	C
A10001	English	2	-	4
A10002	Mathematics – I	3	1	6
A10003	Mathematical Methods	3	-	6
A10004	Engineering Physics	3	-	6
A10005	Engineering Chemistry	3	-	6
A10501	Computer Programming	3	-	6
A10301	Engineering Drawing	2	3	6
A10581	Computer Programming Lab.	-	3	4
A10081	Engineering Physics / Engineering Chemistry Lab.	-	3	4
A10083	English Language Communication Skills Lab.	-	3	4
A10082	IT Workshop / Engineering Workshop	-	3	4
	Total	19	16	56

II YEAR I SEMESTER

Code	Subject	L	T/P/D	C
A30008	Probability and Statistics	4	-	4
A30504	Mathematical Foundations of Computer Science	4	-	4
A30502	Data Structures	4	-	4
A30401	Digital Logic Design	4	-	4
A30404	Electronic Devices and Circuits	4	-	4
A30202	Basic Electrical Engineering	4	-	4
A30282	Electrical and Electronics Lab	-	3	2
A30582	Data Structures Lab	-	3	2
	Total	24	6	28
