The IQAC has conducting regular meetings for continuous development of institution and initiated to develop and apply quality benchmarks for academic and administrative activities of the institution. The IQAC has initiates to upgrade the quality of institution every year; the college has register in ISO certification. The VCET organization has 9001, 14001 certifications. The college has participated in NRIF portal to improve its quality

VCET college is signed MoU with various organizations for the benefit of staff and students. The MOUs includes academic, administration, welfare measures and empowerments. In addition to that the institution is collaborated with various organizations to organize faculty development programmes, skill development programmes and extension activities etc. few of our MOUs and Collaborations are listed below. And the VCET organization are participating in ISO

The IQAC has also brought improvement strategies in facilitating the learner-centric environment towards quality education and faculty development. Usage of technology increased with a focus on participatory teaching learning process. Measures to enhance the infrastructure of the institution were deployed resulting in the establishment of Fire Hydrant System, RO Plant and Digitalization of College Library.

IQAC contributed for conducting smooth governance by preparing teachers academic diary to record day to day teacher's work. Institutional internal academic audit conducted every year also helps to review teaching-learning process
